Production Time / Assembly Notes

6-8 weeks + Shipping

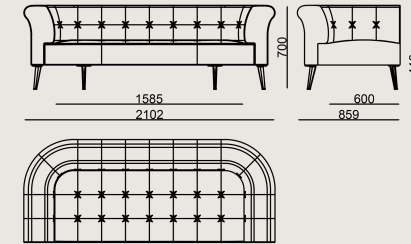

The product is delivered assembled.

Product Description

- The product is produced with a chaka system, available in fabric and leather options.
- Elastic columns are nailed onto the font to provide seating flexibility, and various density foams are applied on top.
- The sofa is supported by a metal font frame combined with a wooden back, made using poplar and beech plywood materials.
- To achieve smooth surfaces in the upholstery, the panels are fixed onto the skeleton structure with nailed components.
- The specially designed legs are coated with black nickel.
