Production Time / Assembly Notes

6-8 weeks + Shipping

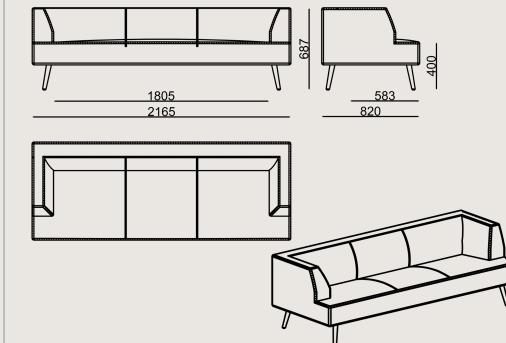

The product is delivered assembled.

Product Description

- The metal frame is made of box profiles and produced as a composite structure.
- To ensure the necessary flexibility in seating, elastic webbing is attached to the seat frame, followed by the application of various types of foam.
- The product covers have a fixed upholstery system.
- The legs are made of solid beechwood and finished with a protective coating.
- Decorative stitching details are applied along specific design lines of the product.
