Product Description

- The sofa covers are fixed and designed for a seamless appearance.
- The back cushions are filled with a blended collection mix, and both the seat and back cushions feature a quilted design.
- With a sturdy metal frame, the structure is crafted as a unified piece using box profiles.
- For enhanced seating comfort, the seat section incorporates elastic webbing with various density foams.
- The sofa arms are made from solid panel material with a veneer finish and completed with a natural lacquer.
- Additionally, the arms also function as the sofa legs.
