The product is delivered assembled.

Product Description

- The backrest is made from plywood and is covered with natural veneer finishes.
- The wooden frame is specially crafted from kiln-dried solid wood in a unique form and is joined with adhesive using dowels and tenon joints.
- The backrest and the frame are polished according to the selected polished options.
- The product features a mesh material from a unique heat-expanding treatment for the seat and back.
- Protective glides are attached to the bottom of the legs to protect the floor.
