Production Time / Assembly Notes

6-8 weeks + Shipping

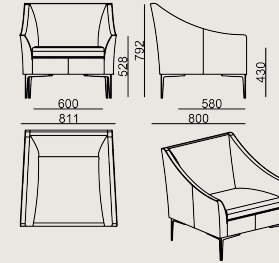

The product is delivered assembled.

Product Description

- The features an internal structure with a steel frame.
- To ensure the necessary flexibility in the seating area, elastic webbing is applied to the seat frame and various density foams are used on top.
- The piping can be specified in a different color from the same fabric category.
- The legs are powder-coated metal.
- Protective furniture glides are attached to the bottom of the legs to protect the floor.
