Product Description

- The seat and backrest are produced as a single unit using box profile construction.
- To secure the covers to the frame, solid wood slats are attached. The frame is treated with anti-corrosion primer paint for enhanced durability.
- The armrests are made of metal fixtures covered with polyurethane.
- To ensure the necessary flexibility in seating, elastic webbing is fixed onto the frame, followed by layers of various-density foam.
- The seat and back cushions feature a tufted upholstery design.
- The legs have a specially designed form and are finished with a powder-coated.
