Partita PARTITA S2 TM600

With the unique leg design, Partita outshines a contemporary and plain design language. The design language preferred strikes a fundamental tone by simplifying all expressions, concealing all details, and serving all modern needs without displaying the complexity of a configuration. The main design idea aims to keep alive an effect of naturalness, to help the touch of naturally treated wood surfaces in the quest of a silent pleasure.

Warranty / Cleaning & Maintenance

The warranty period is five years from the date of delivery. Check the QR code below, to see cleaning & maintenance information.
