Partita PARTITA S2 TM720

With the unique leg design, Partita outshines a contemporary and plain design language. The design language preferred strikes a fundamental tone by simplifying all expressions, concealing all details, and serving all modern needs without displaying the complexity of a configuration. The main design idea aims to keep alive an effect of naturalness, to help the touch of naturally treated wood surfaces in the quest of a silent pleasure.

Warranty / Cleaning & Maintenance

The warranty period is five years from the date of delivery. Check the QR code below, to see cleaning & maintenance information.

Production Time / Assembly Notes

6-8 weeks + Shipping
The product is delivered disassembled.

Product Description

- The tabletop is crafted from 18mm laminated or veneered MDF, while the legs are made of aluminum with a selected natural veneer finish.
- The chamfered knife-edge design is available with either a natural tone finish or a wax finish.
- Laminate tabletops feature powder coated metal grommets, while veneered tabletops feature wood veneer grommets.
- The support legs are suitable for cable management alignments in the model.
- The feature powder coated sheet metal cable grommets along the center and a cable management tray attached under the desk.
