The product is delivered disassembled.

Product Description

- The side panels and tabletop are made from selected wood veneers applied on MDF.
- The middle panel features black leather on MDF.
- The leg frames and the middle section are covered with black leather, while the frame edges are finished with the same selected wood veneers as the tabletop.
- The models above feature a powder coated sheet metal cable grommet and a cable management tray attached under the desk.
- The support legs are designed to accommodate cable management alignments in the models above.
- The models above feature powder coated sheet metal cable grommets along the center.
- Bi-directional openable cable exit covers are produced from powder-coated sheet metal.
