Product Description

- Single desk series: workstation with integrated round meeting extension, featuring an 18 mm chipboard tabletop with a laminate surface and 2 mm thick edge banding.
- Featuring one powder-coated sheet metal cable grommet and a cable management tray attached under the desk.
- The storage unit's body and top panel are made of 18 mm laminated chipboard with 2 mm thick edge banding.
- The storage unit includes two drawers, a compartment with a door featuring an internal shelf, as well as a dedicated space for a desktop computer tower. At the base of the computer tower compartment, there is a built-in circular cable access port.
- Both the top drawer and the door feature a lock and the product comes with two sets of keys.
- The legs are powder-coated metal.
- This series of models is compatible with the Koleksiyon MPS panel and OPF panel series.

*For accurate sizing and model selection, please refer to the Koleksiyon screen spec sheet or usage chart.
